School Asbestos Audit – 3rd September.
Letter from the Department of Education and Training.
As part of the Department of Education and early childhood Development’s Health and Safety Management Plan, new labelling will be installed at our school.
The Occupational Health and Safety Regulations 2007 (OHS Regulations) include specific duties in relation to identifying the presence of asbestos in workplaces and indicating its location. Once identified the presence and location of asbestos must be recorded in the asbestos register and clearly indicated. Labelling must be used to indicate the presence of fixed or installed asbestos containing materials.
The labels remind people to contact school reception prior to undertaking any works at the school, to ensure they have up-to-date information from the school’s asbestos register.
Asbestos - which was used extensively in building materials in the past but is now banned - is considered safe unless damaged or in poor condition.
The new labels form part of a comprehensive program to ensure Victorian Government Schools remain safe.
Children’s safety is our number one priority. That is why we are taking this extra step as a precaution.

The asbestos audit will take place at Cardinia Primary School on Thursday the 3rd of September. The school is aware that it has some asbestos in our relocatable buildings and the appropriate signage will be displayed after the Audit takes place.

If you have any queries regarding the sleepover please don’t hesitate to contact your child’s teacher or Allan. Students at each grade level will be allocated classrooms for their sleeping quarters on Thursday evening and boys and girls will be located separately in various areas of the school. Once these arrangements have been finalised all students will be notified. A list of items to bring along will be published in future newsletters for your information but please remember it is only for one night, so luggage should be on a minimum. Students are requested not to bring any lollies along for either the Thursday evening or Friday.

The sleepover is an activity to celebrate the end of term and a way of familiarising students for the Whole School Camp that takes place in Term 4. As this is an over night activity the detailed permission form must be completed for each child attending and handed in at least a week prior to this event taking place.

A THOUGHT

I was having a chat with my husband about Hoop Time tonight and how amazing the kids were! I have never been so proud to be teaching at a school where the students demonstrate great sportsmanship and attitude towards their teammates and the other teams. The way in which each and every student behaved on court and in between games was brilliant. During the games, if one of our players knocked someone over, they were the first to help them up; if the score line was huge, they backed off and let the other team score and encouraged them. It was a pleasure to watch/coach/teach with the students today.

Mrs Stapley

CAMP 2015

Camp Information, Consent and Medical forms have been sent home for all students who had previously handed in an expression of interest to attend this year’s camp at Coonawarra. If you haven’t either paid part of the cost for camp or returned your child’s consent forms by this Friday your child may lose their place. Alternatively, if you no longer wish your child to participate in this event to let Nicole or the School know as soon as possible as we have a waiting list for camp this year.

We realise camp is a long way off but we need to finalise lists of students participating to confirm bus bookings, camp activities and arrangements back at school during Camp Week.

For further information, please see Mrs Chidlow or Mr Armstrong.

LOST

One of our school families has lost a school bomber jumper in a size 10. It is marked “Eades” on the inside tag. If you find this jumper, please return it to the School Office.

Book Week

In Week 7 we will be celebrating Book Week, a time where we acknowledge all great authors and illustrators, especially those that have made it to the short lists for the different categories for awards. On Monday August 24\textsuperscript{th} and Tuesday August 25\textsuperscript{th} storyteller time will be held in the Grade 3 classrooms for half an hour where students can come and listen to some of the picture books that have made it to the short list for Picture Book of the Year.

\textbf{There will be no assembly on Thursday August 27\textsuperscript{th}}

Instead of our regular Assembly, we invite all parents at 3:10pm to come into their child’s classroom and celebrate Book Week by listening to the stories their child has written this year during our Big Write.

We look forward to seeing you all then.

**District Athletics**

Last Wednesday 51 students represented Cardinia Primary in the Lang Lang District Athletics Carnival at Casey Fields. Students were selected based on their performances at our athletics trials held earlier in the term.

The weather was beautiful for us on the day and was matched by the competitiveness and sportsmanship of our students who did the school proud. It was great to see the teamwork and support for each other and to see so many parents and friends cheering them on.

Winners and placegetters are listed below. Students who qualify for the Division Athletics will be notified ASAP with this event coming up on the 15th of September, also at Casey Fields.

Well done to all students who made it to this level and good luck to those who go on to division!
