**FROM THE PRINCIPAL**

**Cardinia Primary School – Christmas Market Night**  
It is just over a week away before our Christmas Market Night takes place. The venue for this activity is in the BER Building and we have a fantastic array of Stall Holders for you to come along and check out their products and make some terrific purchases in readiness for Christmas. A $5.00 entry fee for adults and this entitles you to supper and any children attending will require a gold coin donation. The market will run from 6.00pm through to 9.00pm.

All proceeds from the evening will go directly to our students by purchasing equipment and resources for all grade levels, so please come along and support this event and the various stall holders.

**School Review Report:**  
The school Review Report has been finalised and forwarded to the School. This Report will be tabled at our next School Council Meeting on November 26th. After this meeting the full report will be made available to all members of the Cardinia Primary School Community. The report is extremely supportive of the work the school has carried out over the past five years and the direction that it has taken. In particular the work of staff in implementing the key initiatives of VCOP, GRIN, Patrick Griffin, change in roles and responsibility of staff and structural changes to the school’s timetable. The continued strong support from our school community and the maintenance of our traditional values were also highlighted.

PLEASE take care at all times in the Car Park areas. Caution and alertness needs to be uppermost in everyone’s minds when in these areas.

It is very important that if any parent or friend of the school has any concerns, queries or problems regarding any aspect of the school to bring it to the attention of your child’s teacher or Allan straight away. Under no circumstance should parents/guardians approach other students in the school grounds.

**THUMBS UP**

- To everyone for their efforts in preparing for the forthcoming Cardinia Primary School Market Night, especially Meaghan McNeil. Very much appreciated.
- To the Grade 5 students who have presented their School Captain speeches to Assembly over the last couple of weeks. A fantastic effort and all speeches to date have been of a very high quality.
- To Jemma Wade for her recent success at a horse show. Her first ever and came away with a number of ribbons. Terrific work Jemma.
- To everyone who participated in the Active October event last week. It was just fantastic to see so many students, parents and staff participating in this activity. Can hardly wait until the “Big Draw” of the Go Pro at the completion of Event 2 on the 14th of November.

**This Week’s Meal Deal is a Slice of Pizza, Garlic Bread and Icypole**

(Remember children are only allowed to have one treat – additional treats are not permitted.)

**Please Note:** Meal Deals are now $4.00.

---

It is important that children arrive punctually at school, 5-10 minutes before bell time in the mornings so that their day can commence on time and in a casual manner. We all have mornings that can be crazy however constant disruptions can affect not only your child’s learning but other students in the classroom. If you are late, please remember to sign in your child at the office. We also ask that if parents are wanting to speak to teachers that they either wait outside the classroom after school or make an appointment at a mutually convenient time.
Car Parking!

When parking on Cardinia Road, on the School side of the road, please park as close to the bollards and barriers as possible. Children and parents need to use the pathway allocated between the fence and bollards to enter School safely. Cardinia Road and the front of the Hall car park are available for parents to park and collect students. There are also limited spaces in the Church car park located off Dalmore Road. Please do not park on the nature strip or block driveways in this area. There is also no parking in front of the School Crossing when the flags are showing.

It is School policy that all students need to be collected by an adult at the end of the day. This avoids accidents from occurring in these congested times. Please also be aware of your surroundings when parking your vehicle. If you are blocking other cars or the flow of traffic it makes it very difficult for other parents to access parking spaces. Your assistance, patience and understanding in this matter would be greatly appreciated.

School Camp 2014 - Kangarooobie

School camp is fast approaching!

Please remember that full payment is now past due.

Parents need to be aware that ALL monies for Camp 2014 MUST BE HANDED TO THE OFFICE OR BPAY BY THE END OF THIS WEEK.

Both the yellow medical details form and the white consent form must also be handed in by the end of this week. There are still quite a lot outstanding.

There will also be a meeting THIS THURSDAY to discuss student medications. This will take place after assembly in the BER building. If your child will be taking medication to camp, please attend this meeting.

If you have any questions about camp, please see Nicole Chidlow.

2015 School Captain Speeches

At Assembly this week we have Montana S, Tiernan C, Cassie M and Jo Jo S. Please come along and support these students. We will commence Assembly at 3.10pm.
VCOP and the BIG WRITE

On Friday 31st October staff attended the VCOP and BIG WRITE Assessment PD at Cardinia Primary. Samantha Taylor and Wendy Allder attended and went through the steps involved when marking a writing assessment. This was a great chance for staff to ask questions, consolidate knowledge and extend their current skills.

Parents and Friends of students are reminded that smoking and the consumption of alcohol are not permitted on school grounds or when participating in school activities when students are present.

TRANSITION DAY

On Tuesday the 11th November, Grade 6 students that will be going to Koo Wee Rup Secondary College in 2015 are attending a Transition Day. Students are asked to make their own transport there using the mode of travel planned for 2015 (in many cases the school bus). The Transition Day is a valuable experience for these students as it provides an opportunity to meet other new students and become familiar with their new school prior to their Orientation Day. Students will need to take a packed lunch, wear their Cardinia uniform, take pens and wear runners as they will be doing practical subjects.

Grade 6 Teacher
CAMP MEDICATIONS

Any student going on camp that needs medication only IF NEEDED (if they get asthma, headache, hay fever etc.) can parents please hand this into the office from next Monday.

Medication that MUST be taken (prescription medication) can also be handed into the office from next week. Medication that MUST be taken should be in a clearly labelled pill box, with times/days of the week or in a blister pack available from the chemist.

All medicine must have the student’s name on the bottle, blister pack and packaging. Parents need to remember that we have over 30 children with a range of medications so PLEASE LABEL and NAME EVERYTHING CLEARLY.

Parents will need to complete a Medication form when they hand in medicine. More information about medication on camp will be given at this week’s camp meeting.

Grade 3/4 Hoop Time

On Thursday 30th of October two teams represented Cardinia in the regional finals of Hoop Time in Grades 3/4. The Cardinia Cannons and the Cardinia Colts had done a fantastic job of winning the qualifying rounds to qualify for the day and were looking forward to the challenge of playing against some awesome teams and players. Both teams played great team basketball and supported each other brilliantly throughout the day and all players should be proud of their efforts. Unfortunately we did not win enough games to progress further but the experience will be invaluable for the players and they receive a certificate and Hoop Time sticker to remember the day by. Well done Cardi!

Once stuff about you goes online there is no knowing who will see it, or when they will see it.

What's the issue?

Things that are posted online may seem like they are 'here today, gone tomorrow', but this is not the case. When images and videos of our 'bad hair day' or latest crazy exploits are posted online they can end up anywhere in the world and be re-used in ways that we never intended—even years later.

Why does it matter?

- Other people cannot see inside your head, so the 'you' that they know is the one you show them through what you say and do. This includes your offline self and your online self.
- We form impressions everyday about people we don't know personally. We use whatever information we have to do this, for example, pieces of their work, pictures of them or comments they made in a forum. Other people will form opinions of you in exactly the same way.
- Digital material is no longer under your control once it has been shared, even if it is only shared with people you trust. Once stuff about you goes online there is no knowing who will see it, or when they will see it.

Advice

Prevention is better than trying to mop up later

- Think twice before putting material online—what would this look to your Grandparents, your teacher or your friends? What about in ten years time?

Keep things in perspective

- Be realistic about the impact of what has gone online—if it is a bit embarrassing but otherwise harmless, learn from the experience and move on.

Be clear about who you want to be online and offline

- Let other people know that you don't want them putting embarrassing material about you online.
