**RSL Remembrance Day Ceremony**

Once again the KooWeeRup RSL has invited our school to be part of their Remembrance Day Ceremony on Friday November 11th. Connor Eades in Grade 6 has been nominated by the School and his teachers to be the recipient of the RSL Citizenship Award, which will be presented to him at the Ceremony on Friday. It was felt by Connor’s teachers that he was a worthy winner of this Citizenship Award from the RSL because he is a student who embodies the characteristics of the soldiers who have fought for our country and enlisted into the arm services. Key amongst these characteristics is mateship, never giving up, helping and caring for others and having that touch of larrikinism that was an endearing trait of the Australian soldiers but at the same time always getting the job done.

Our School Leaders will also represent our school on the day by laying a wreath, as part of the ceremony on the day.

**Model Airfield Catering**

On Saturday and Sunday the King Family did a mammoth job in catering at the Model Airfield at Cardinia and raising $1070 for the school. We are indeed fortunate to have such a family in our midst who go out of their way to support the school. Sharon and Darren were ably supported by the Litwiniuk Family, and Sharon’s sister Christine, and again the school is indebted to them for their efforts in supporting our school and raising valuable funds. Also a huge thanks to Mitchell and Kathryn who did a fantastic job over the weekend assisting with the catering. Well done guys!

**Poppies for sale**

At the office we have a selection of Poppies and Wrist Bands for Sale, supporting the RSL Annual Appeal. The Poppies are $2.00, with the wristbands costing $3.00.
CARDINIA PRIMARY SCHOOL FETE

Our first School Fete is fast approaching and will take place on Friday 18\textsuperscript{th} November at 5.00pm. Each grade has been given a stall or an activity to run during this event.

The only way our School Fete can be a success is with your support. Please make contact with your child’s classroom and volunteer for a time slot that is convenient to you.

We need everyone’s support and enthusiasm to make sure this event raises these much needed funds for the school.

WE ARE ASKING FOR DONATIONS OF THE FOLLOWING:

- \textbf{CARDBOARD EGG CARTONS.}
- \textbf{COLOURED HAIRSPRAY}

\textbf{DONATIONS CAN BE LEFT AT THE OFFICE!}

KOO WEE RUP MUSIC FESTIVAL ON THE GRASS

Science Update - Super Moon to light up the night skies on Monday

Any keen stargazers in the CPS community should mark Monday November 14\textsuperscript{th} in their diary. On this night the Moon will be at its closest point to Earth in almost 70 years! A Super Moon is normally 12-14\% larger and 25-30\% brighter than a normal full moon. It is recommended that you head out at dusk to a location with uninterrupted views to the east. We won't see another Super Moon this close to Earth until November 26\textsuperscript{th} 2034 - so fingers crossed for clear skies on the evening of November 14\textsuperscript{th}.

Happy Moon watching!

Parenting Program

The Anglicare Parenting Program commenced on Monday and the feedback so far has been very positive. It is not too late to register for this free Program. It will run for 4 weeks on Mondays from 9.00am to 11.00am and will cover many different aspects of parenting and many of the topics come from the members of the group themselves. If you are interested in attending please let Kaye Armstrong or Jodie Mattingley know and they can reserve a spot for you. Alternatively you can register at the office.

Grade 6 Uniforms – 2017

Current Grade 5 students have this week, received order forms for their Grade 6 - 2017 uniform. Students have the option to purchase bomber jackets and polo shirts, in navy blue with a white trim.

Sun Smart hats will be compulsory once again in 2017. Grade 6 students will have the opportunity to wear a special Grade 6 “surf” wide brimmed hat. These hats will be distributed at the beginning of 2017. The school will be covering the cost of the hat for the Grade 6 students. If students choose not to get one of these hats, they will need to wear an alternative navy blue Sun Smart hat. They will be supplied with a hat that best fits out of our current stock.

If we get our orders in quickly, hopefully the delivery date will be within the first month of school in 2017.

We would appreciate payment as soon as possible, but if it is a problem, the cost of the uniform will be added to your account and must be paid before the arrival of the uniform. Payments may be paid via BPAY, cash or cheque. Please let us know if your child will not be attending Cardinia Primary School in 2017, so we have the names correct for the uniform.

Orders need to be returned by Wednesday, 23rd November to guarantee the earliest possible delivery. Sizing information was attached to the order forms.

Parents and Friends of students are reminded that smoking and the consumption of alcohol are not permitted on school grounds or when participating in school activities when students are present.
LIFE EDUCATION VISIT

As part of our drug and health education this term we are having the Life Education mobile classroom visit our school from: Monday 7th November – 14th November. Life Education has been visiting our school for many years and is always a highlight of the children’s year, and helps to facilitate the development of the life skills in students to prevent and minimise the harm of drug misuse.

Lessons are always age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit.

The cost for this incursion is $6.00 per child. If you have not already done so, please return the permission form to the office.

LEST WE FORGET

A lovely military man selling poppies stopped me today and asked if he could reposition mine. While doing so he told me that women should wear their poppy on their right side; the red represents the blood of all those who gave their lives, the black represents the mourning of those who didn’t have their loved ones return home, and the green leaf represents the grass and crops growing and future prosperity after the war destroyed so much. The leaf should be positioned at 11 o’clock to represent the eleventh month, the time that World War Once formally ended. He was worried that younger generations wouldn’t understand this and his generation wouldn’t be around for much longer to teach them. Lest we forget!

To commemorate Remembrance Day this Friday 11th November the office has poppies and wrist bands for sale with prices starting from $2. Please visit the office if you would like to purchase any products to support this special day.

Money in a bucket Challenge:

THANK YOU CARDINIA PRIMARY SCHOOL COMMUNITY

Our aim was to raise up to $600 and that was exceeded. We raised a total of $664.45, which is an outstanding effort. The total weight of the coins that were collected was just under 46kg. That would definitely present a challenge to any bank who had to count those coins.

Again, thank you for your support in the bucket challenge. The money has been placed into helping the twilight fete and the remodelling of the Technology Room.

Keep your eye open for our new challenge. That is to collect suitable gifts for the Connections Christmas Appeal.

Nathan White and the Junior School Council
Facebook Code of Conduct

Our Facebook Group Intent
The intent of the Cardinia Primary School Facebook Group is to make the connection between our school and community more convenient. The school’s Facebook Group allows the school community to keep up to date with activities through a medium preferred by many. It also allows the school to seek the communities input on issues and to make us aware of areas where we can improve. But overwhelmingly, our Facebook Group is a place where we can facilitate a vibrant school spirit and community while upholding our ethos as a caring family school. We ask that our community accentuate the positives and bring to everyone’s attention the little things that make our school a great place to be.

Our Code of Conduct

Using Real Names
All users interacting with the Cardinia Primary School Facebook Group, by either liking or commenting on posts, must do so using a Facebook account that clearly identifies them by their real name.

Raising Issues and not Including Names
Cardinia Primary School is happy to be alerted to issues via the Facebook Group but does wish to remind the community that some things are best dealt with privately. The kind of issues raised should be general in nature and centred around improvements to school infrastructure and/or processes. Issues involving any students or staff must not be raised in the Facebook Group. When issues are raised we are happy to see people support the issue via a Facebook comment or a ‘like’. We will however not support interactions that incite or fuel overly negative sentiments. We also ask that you do not use the names of our teaching and administration staff, students or any other member of the community in any issues based postings. This includes any identifying information that leaves no doubt as to who is being spoken about.
When can I use Names in Posts?

You can use names in posts when you wish to acknowledge someone’s great work or community contribution. We wish our Facebook Group to be used to build spirit; patting someone on the back publicly goes a long way to building the school we all want.

Underage Facebook Users

Cardinia Primary School is aware that children under the age of 13 years are not able to create their own Facebook account, in accordance with Facebook’s Terms and Conditions. We believe our community’s conduct on our Facebook page will serve as role modelling for our students about to behave in a social media environment.

Friending Staff on Facebook

Our staff operate under a Code of Conduct that states that they are to maintain a professional relationship with students and parents and refrain from social interaction. Please do not seek to Facebook friend our staff.

Moderation and Blocklisting

Cardinia Primary School will nominate a Moderator or Moderators to monitor the Facebook Group. Cardinia Primary School reserves the right to set the strength level of the Facebook profanity filter and to add additional words and names to the page’s blocklist. Any posts or comments which the Moderators of the Facebook Group feel are inappropriate will be removed.

Actions Resulting from any Breaches of the Code of Conduct

Cardinia Primary School reserves the right to ban any user from interacting with its Facebook Group for breaches of the Code of Conduct.

The Law and Facebook’s Terms

Cardinia Primary School’s Facebook Group operates under the Commonwealth Telecommunications Act and Facebook’s Terms.

Cardinia Primary School Christmas Appeal Update

Last year our Junior School Council joined the Connection’s Christmas Appeal with great success thanks to our school community. We are doing this appeal again this year and would like your support.

Every Christmas there are families who cannot call this time of year a happy time. This is one way that we can ease the burden of these families and their children. If you could organise a gift for a needy child, that’ll be fantastic. You can place the gift under the Christmas tree in the BER building.

**Please note that this is not a collection point for clothes and old toys.** Those items should be given to the charity bins or Red Cross etc... The Junior School Council are focussed on collecting wrapped gifts for a child of similar age to your child to be given to families to celebrate Christmas. Another good idea are gift vouchers. If you do donate a gift please place on top of the wrapped gift a note saying:

*This gift is suitable for a boy aged __________*

*OR*

*This gift is suitable for a girl aged __________*

**Collection Day will be in mid-December (to be advised).**

Thank you

Junior School Council
**Camp Information**

**Medication**
Medication will be collected the week before camp on Monday 21st November **AND** Friday 25th November from 3.30pm – 3.45pm in the staffroom after school.

Medication that is to be taken daily must be in a blister pack from the chemist (no packets/bottles of tablets).

Paracetamol does not need to be supplied as parents have already given consent on the Camp permission form for teachers to dispense as required. There is a form available to fill in if there is any other medication, for example Antihistamines) that your child may need to take.

**We will not be collecting medication on the morning of camp unless it is something like antibiotics from over the weekend as it is very hectic at this time.**

**Luggage**
Students will have to carry their bag upstairs, so please pack lightly. They do not need to bring ANY bedding, as it is all provided, but bring two towels - one for shower and one for swimming.

A small backpack is required for each student to carry every day. This is very important so they can carry snacks, drinks etc.

**Lunch on the first day**
On the first day their small backpack needs to contain:
- Lunch, morning and afternoon tea (do not send a lunch box please)
- Refillable drink bottle
- Sun Smart hat

**DO NOT** pack this small backpack under the bus with the luggage, it needs to go on the bus with the student. There will not be lunch baskets – students will carry their own.

**Spending Money**
Students may bring up to $20 spending money (no more). This will be looked after by the students’ group teacher. It needs to be handed to Melissa on the morning of camp, in a named zip lock bag.

**IPads/Phones**
There are to be no iPads or phones brought to camp at all please. The school will be taking some that they can use during down time.

**PLEASE ENSURE THAT CLOTHES AND BELONGINGS ARE CLEARLY NAMED**

If you have any further questions, please see Nicole Chidlow in the BER building.
