Busy Weekend Round-Up

Choir Performance
The members of our Choir who were able to make the Music on the Grass Festival at KooWeeRup did a fantastic job under the direction of Mrs. Young. Our Choir had members from Foundation through to Grade 6 and entertained the crowd with 5 songs from their collection of songs.

Each student should be very proud of their performance, especially our solo performers and Kayalvili on keyboard. It was fantastic to see so many family and friends come and support the students in their endeavours. Great job everyone!

Twilight Fete
Well what a wonderful night – fantastic weather and a bumper crowd supporting this whole school endeavour! A great night was had by one and all and on behalf of the School I’d like to sincerely thank everyone for their support and involvement.

To make such an event successful we need the support of everyone and we certainly had that in spades on Friday night. We had so many people supporting us in so many different ways from baking, donations, cooking the food to selling tickets and running the various stalls – but most importantly spending your money thus enabling us to raise close to $12,000 on the night. This was a fantastic achievement and coupled with this was the positive feedback the school received on the night for hosting such an event.

However I’d really like to single out Keryn and Cara for the extraordinary work they put in to insuring this event was such a fantastic event for the school. Without their efforts, drive and enthusiasm it would have all amounted to nothing.

For months prior to the fete these ladies spent countless hours planning and preparing for this event. Thank you for supporting them and thank you all for coming along and being part of this major fundraising initiative of the school.

Parking around the School

The school is fortunate to have three designated parking areas in and around the School. We have use of the Hall Car Park – front and back, the parking areas on Cardinia Road and the Church Car Park. Please take care in these areas and make sure that you park appropriately in these areas to maximise the parking space and access. Please don't park on Grass areas, in our neighbours' driveways or block their access to their properties. We need to respect their rights and property at all times.

Can parents please also take care not to park in the driveway of Mrs Clarke’s property. She at times finds it difficult to get out of her own drive. Parents please take extreme care parking along the fence line between the school and next door. Sometimes car bumpers are catching on the wires and pulling out parts of the fence when driving away.

Attendance and Punctuality Cups

This week we would like to congratulate 1CA and 4CR for winning the ‘Mrs Smith’s - Attendance Cup’. Great effort guys and keep up the great attendance!

This week the ‘Mrs Friend’s Punctuality Cup’ goes to 00H. Great work by all of these students.

Remember that attendance and punctuality are two key areas in ensuring all students achieve their full potential at school.

THANK YOU!

A huge thanks to Brenda Cox and her family for all the supplies she regularly sources and brings for Art students to enjoy.

SCHOOL BANKING

Next Thursday 1st December is the last day for parents to order School Banking prizes for the year. Please ensure your choices are in by that date.

Current Grade 5 students have received order forms for their Grade 6 - 2017 uniform. Students have the option to purchase bomber jackets and polo shirts, in navy blue with a white trim.

Sun Smart hats will be compulsory once again in 2017. Grade 6 students will have the opportunity to wear a special Grade 6 “surf” wide brimmed hat. These hats will be distributed at the beginning of 2017. The school will be covering the cost of the hat for the Grade 6 students. If students choose not to get one of these hats, they will need to wear an alternative navy blue Sun Smart hat. They will be supplied with a hat that best fits out of our current stock.

If we get our orders in quickly, hopefully the delivery date will be within the first month of school in 2017.

We would appreciate payment as soon as possible, but if it is a problem, the cost of the uniform will be added to your account and must be paid before the arrival of the uniform. Payments may be paid via BPAY, cash or cheque. Please let us know if your child will not be attending Cardinia Primary School in 2017, so we have the names correct for the uniform.

Orders need to be returned ASAP to guarantee the earliest possible delivery. Sizing information was attached to the order forms.
BOOK CLUB NEWS

Just a reminder to have your book club orders at the office by close of business Friday 2nd December together with payment. This will ensure that orders are placed with Scholastic by their due date and are delivered to the school quickly.

Cardinia Primary School Christmas Appeal Update

Last year our Junior School Council joined the Connections Christmas Appeal with great success thanks to our school community. We are doing this appeal again this year and would like your support.

Every Christmas there are families who cannot call this time of year a happy time. This is one way that we can ease the burden of these families and their children. If you could organise a gift for a needy child, that’ll be fantastic. You can place the gift under the Christmas tree in the BER building.

Please note that this is not a collection point for clothes and old toys. Those items should be given to the charity bins or Red Cross etc... The Junior School Council are focussed on collecting wrapped gifts for a child of similar age to your child to be given to families to celebrate Christmas. Another good idea is gift vouchers. If you do donate a gift please place on top of the wrapped gift a note saying:

This gift is suitable for a boy aged __________

OR

This gift is suitable for a girl aged __________

Collection Day will be in mid-December (to be advised).

Thank you
