PRINCIPAL'S REPORT

4th May 2023

Dear Parents and Carers,

Help with Reading

It is great to see parents in our classroom listening to our children read. Thanks to those of you who are already doing this. We are building our bank of parents who have completed the one-hour literacy training. I am running another of these on Tuesday 23rd May at the earlier time of 9:00am. Please let our office staff know if you would like to attend.

Mother's and Special Person's Celebration

We are all looking forward to our Mother's and Special Person's Day next Friday. Our children were very excited yesterday to be buying their gifts. Thank you to Janelle Petherick for once again sourcing these gifts from local small businesses, and for holding the stall for our children to do their shopping. Please come along between 9 and 10 on Friday next week, 12th May, to look at some of your children's work and have a piece of cake.

Thermomix

We have sold about half of the Thermomix tickets. Please continue to share the link with your friends and family. If we sell enough tickets, we can draw the raffle in time for Mother's Day. The best caramel fudge I have ever tasted was made in a Thermomix! Only 250 tickets, so the odds of winning are quite high compared with many raffles.

Have a great week,

Susan

From the Office

- ♦ **PERMISSION FORMS** - Please return any permission forms as soon as possible.
- ♦ **Thank you** - A huge THANK YOU from Mrs Parker to Colleen Hubbert and Mary Graham for helping with the sewing for our year 3/4 art. The students were very happy. Watch this space for some photos of the finished pieces!

Scholastic Book Fair

The Scholastic Book Fair is coming!

It will be running from the 15th - 25th May.

We are looking for a few wonderful volunteers to help run it for half an hour before and after school. Please let Lisa in the office know if you can help out.

Dear Parents and Families:

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are.

Here's what you can do to help children develop stronger reading skills and a love for reading:

Set the example. Let children see you read.

Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.

Support our school's Book Fair. Allow your children to choose their own books to read.

The theme of our Scholastic Book Fair is **Bookaneer Book Fair**. It's a fun reading event that brings the books kids want to read into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.

Book Fair dates: 15th - 25th May

Shopping hours: 8:30am - 9:00am and 3:30pm - 4:00pm daily

We look forward to seeing you and your family at our Book Fair! Remember, all purchases benefit our school.

YEAR 3 TO 6 CROSS COUNTRY RUN

This term the school's major sporting event is the year 3 to 6 Cross Country Run. Our school will be holding trials for each age group to determine the 10 students who will represent our school at the District Cross Country Run competition.

House Sports/School Trials:

The school trials will be held at Cardinia Recreation Reserve on Friday the 5th of May from 10.20 am to 12.20pm. The first 10 place getters for each age group and gender will form the team that will represent our school at the District competition.

Students need to be appropriately dressed for this running event, have a bottle full of water and dress in their house colours. We will be awarding a cross country house winner.

District Competition:

The district competition will be held on Tuesday the 16th of May at Cardinia Recreation Reserve. The students who have qualified to move to this round will receive a letter the week after the trials with all the information.

All students have filled out a permission form at the start of the year so do not require an additional one.

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Cardinia Primary School is excited to be participating.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 8th September 2023.

All students at the school have now been registered, and we would like to see as many students as possible complete the challenge.

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit: <https://www.vic.gov.au/premiers-reading-challenge>.

To participate in the challenge, parents and/or students must login to the [PRC Application](#) and record the books that have been read. To do this, you will need your child's unique Username and Password. This will be sent home to you by your child's classroom teacher.

In addition, the PRC Application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs);
 - a modern user-friendly interface;
 - rewarding students with badges as challenge milestones are achieved; and
- the option for students to mark books as a favourite, give them a star rating or complete a book review.

Please see me if you have any questions.

Happy Reading!
