PRINCIPAL'S REPORT

21st June 2023

Dear Parents and Carers,

We have arrived at the end of a very busy term. Thank you for your continued support of our school and your children coming to school.

Our excursions last week were fun for all who attended. Legoland was a huge success, with our children participating in lots of fun and educational activities. Our 5/6s enjoyed their interschool sport experiences, making the semi-finals in soccer. The students know that participating is where the fun is, and we don't have to win to be successful.

We have been lucky to receive \$5000 of Lego from a charity called Good360. All our classrooms have some Lego, and our children (and parents!) are loving it.

Year 5/6s had a Market Day yesterday. As part of their Inquiry Unit this term they have been making items to sell for charity. Yesterday we were all lucky to be able to see their wonderful creations and buy some of these. I bought some lovely jewellery and some things for my grandchildren. My favourite would have to be the photo below. Some of our Year 6 students, Jett, Archer and Caleb, were running a stall where a person could have a photo taken and choose the design to have it printed in. I chose the mosaic design, and I think it looks great! Our AMAZING 5/6's raised \$1099.85. The biggest fundraiser was scrunchies sold by Lilah and Milly. Well done everyone.

I wish you all a wonderful Term 3, and I will see everyone again for Term 4.

Susan
