PRINCIPAL'S REPORT

Dear Parents and friends,

What a way to start the first day of Spring last Friday. It was wonderful seeing so many adults and children joining in our Fathers/Special Persons Day. A big thankyou to everyone who helped so that we were able to have some lovely bacon and eggs for breakfast.

Well done to our JSC for organising the dress up day in our favourite footy colours or favourite sporting team. To all those who joined our kicking competition to see who could kick the furthest, great effort.

Please keep checking XUNO and the newsletter for school updates.

What has been happening around our school?

PRINCIPAL'S REPORT

Grade 3 and 4 students were busy putting together gymnastic routines, while others were doing soccer drills out on the netball court.

It was great seeing the students engaged in lots of different word work around the school.

After school

As we are coming into the nice weather, please remember after school, all students and families are reminded that students should be waiting in the area directly at the gate where they are to be picked up. The back of the school including the basketball court and Ga Ga Pit is not for after school unless the child is with a parent or whoever is picking them up.

Before and after school care facilities are available to our school community.

Other News

A reminder that all students who bring mobile phones to school need to hand them into the class teacher or the office first thing.

From School Council

At our last School Council meeting we had the student leaders present what they have been doing and what we can do, to make our school even better. They spoke well and are a credit to themselves and the rest of the student body.

School Council is looking at various OSCH providers as part of our commitment to ensuring students are happy and engaged before and after school. If you have any feedback or comments that you would like to be added to the conversation, please see Simone (School Council President) or email the school.

From the Office

XUNO is your parent portal to view news and events, book parent teacher interviews, check your child's live attendance, mark absences, view reports, and more. Please contact the office if you have any problems or questions about setting up, and signing in to your account.

Qkr! Is the app that the school is using to accept any payments, such as: Parent Contributions, excursions, Meal Deals and second hand uniform (and more!) We are also trying to reduce the amount of paper used so most permission forms will be available on the app. Of course, if you require a hard copy, one can be collected from the office. Please see the office staff if you need more information about using Qkr!

Breakfast Club

Breakfast club runs each Friday between 8:30-8:45am in the Science Room. This program is government funded and open to all students.

Food available may be Weetbix, muesli, toast with Vegemite or honey, baked beans, spaghetti and fruit cups. Please let us know when dropping off your child if there are any allergies we need to be aware of.

Children are welcome to come to the Science Room from 8:30am. Please do not drop your child off any earlier than this. We welcome any parents who would like to come once a month (or less if we get enough help) to serve and tidy up.
