PRINCIPAL'S REPORT

Welcome back to Term 4, which is shaping up to be the busiest of the year. School Camp is well organised, swimming will take place after camp, and planning is already underway for the end of year concert.

Our new playgrounds are almost complete, hopefully they will be ready for use next week. They look fabulous, and will give our students options to develop both creatively and physically. The fitness tracks look just like on Ninja Warriors! We are going to look into doing some fundraising next year to provide shade sails over at least some of these areas.

Our major fundraiser this year is our Colour Explosion at 2pm on Friday 25th October. We are hoping to raise enough money to buy some new technology for our classrooms. It will only work if we all work together and get families and friends to help us. The addition of prizes for students who raise money is intended to get everyone excited about what we can achieve together. Please get behind this fundraiser, and come along on the 25th to watch the fun – or perhaps get coloured!!!

Term 4 is a hat term. The Victorian Education Department mandates hats for all Primary School students during Terms 1 and 4. We will give students till the end of this week to ensure they have a navy broad-brimmed or legionnaire hat. After this week children without hats will be asked to play on the basketball court so that they are out of the sun. Australia has the highest rate of skin cancer in the world, so please help us to help your children by ensuring each has an appropriate hat for school.

Regards,

Susan

SCHOOL COUNCIL

Hello!

One of the functions of school council is organising our fundraising for the year.

Some of the fundraising events this year are the Bunnings BBQ, coming up this weekend, and the colour run in a few weeks' time. Also, twice a year we have the opportunity to cater for the Pakenham model aircraft society.

As well as organising the fundraising effort for the school, we talk about where we would like the money to go.

This year our fundraising efforts will be going towards upgrading some of the technology around the classrooms and hopefully purchasing some additional items needed.

Currently we are looking forward to next year and what sorts of ideas you might have.

There will be a suggestion sheet up in the office for you to have your say on any fundraising ideas you might have and also on what sorts of things you might like the money raised to go towards. For example, is there are part of the school you would like to see improved? Or some piece of equipment you think the students would benefit from having?

The sheet will be available by Friday this week and will stay in the office for the remainder of term 4. You are also welcome to send your suggestion in an email to me at Moore.Sarah.A@edumail.vic.gov.au

Have a great week!

Sarah

☺ PLEASE SUPPORT OUR COLOUR EXPLOSION ☺

The school's main fundraiser for this year is the **Colour Explosion Run4Fun**.

We are aiming to raise money to buy new *televisions* and *computers* for all our classrooms, allowing them to have the opportunity to access technology readily within the school. Students have now received a Sponsorship Form with instructions on how to raise money and order prizes. Students obtain donations in cash using the Sponsorship Form and/or together with online fundraising.

Create your Student Profile Page at

www.myprofilepage.com.au.

The *Colour Explosion Run4Fun* will be held at the school at
2pm Friday 25th October.

Parents are very welcome to come early on Friday afternoon to watch all the fun!

The School Run4Fun will be held on **Friday 25th October** starting at **2pm**. The day's focus is on fun and fitness with the added benefit of raising funds for our school.

How Does My Child Fundraise?

Students have now received a Sponsorship Form with instructions on how to raise money and order prizes. Students obtain donations in cash using the Sponsorship Form together with online fundraising.

Students who raise as little as \$10 or more will receive an incentive prize for their efforts. But why not aim higher? You have the option to choose up to five (5) prizes and this will set your fundraising goal. Family and friends are your greatest supporters, so ask them first for your support. You will reach your fundraising goal in no time.

Student Profile Page

Create a Student Profile Page at www.myprofilepage.com.au which is unique to you. There are also some great features like recording your sponsorships and selecting your prize goal.

You can also register for online fundraising. It's the easiest way to help your child raise money and to reach your fundraising goal sooner.

WIN A SHARE OF \$200,000 WORTH OF FREE SPONSORSHIP DONATIONS. Create a Student Profile Page at www.myprofilepage.com.au and enter your unique code found on page five (5) of your Sponsorship Form to see if you're an instant winner. Give your fundraising goal a kick start!

How to Order Prizes?

To reward your child for their efforts, they will receive incentive prizes based on the total amount of sponsorship dollars raised in cash, online, and if applicable, any **FREE SPONSORSHIP DONATIONS** won using the unique code on page five (5) of the Sponsorship Form. You have two options to place your prize order:

1. Login or create a Student Profile Page at www.myprofilepage.com.au. Once the fundraiser has finished, click the 'ORDER MY PRIZE' button and then confirm your total amount raised and order your prize/s, **OR**
2. Complete the back page of the Sponsorship Form and return to the school.

Please note, all donations need to be finalised on or before **Wednesday 30th October**. Student prizes will be delivered shortly after.

Thank you in advance for your participation. Happy fundraising!

Model Aircraft Fundraiser

Twice a year our school has the opportunity to raise funds for the school by organising a BBQ along with a small cake stall for the Pakenham and District Aircraft Radio Control Society (PandDARCS). We are looking for volunteers to help cook the BBQ on the day as well as help with donations for the cake stall. The next fundraiser will be on Sunday 10th November from 8am to 3:30pm. Funds raised will be going towards new computers for our students.

If you are able to help in any way, please contact Amy B on 0421 301 902 or Sarah M at Moore.Sarah.A@edumail.vic.gov.au or there will be a sign-up sheet in the office.

The first Scholastic Book Club brochures for term 4 have been received and delivered to students today.

If you would like to order items from this catalogue, please ensure any orders placed are ordered online or received at the office by close of business **Friday, 18th October together with payment. HELPING YOUR CHILDREN WITH MATHEMATICS

There are a number of general principles which you might keep in mind when you are helping your children.

Guess the Pattern

One player thinks of a rule (such as double and add 1). Other players can suggest a number (such as 5) and the first player tells them the number which results from the pattern (11). The players can keep testing numbers until they can tell what the rule is.

What's the rule?

14	17
55	58
37	40
33	

Rule: _____

What's the rule?
