PRINCIPAL'S REPORT

30th November 2023

Dear Parents and Carers,

I'm writing this on Wednesday as I'm going to camp tomorrow. Let's hope it's not raining too heavily there this week! The camping kids were very excited (and a few a little nervous) as they left this morning. Those here at school are having some fun times as well, and I'd like to thank all our staff for what they're doing this week. Staff at camp will be putting in extremely long hours to see that our children are cared for, and those here at school are putting in effort to ensure that children not attending camp still have a good week.

Last Friday's Peter Combe concert was fabulous. I have never seen so much enthusiasm and excitement from our students. They joined in nearly every song and thoroughly enjoyed the hour. Thanks again to Trent for instigating it, School Council for raising funds to provide the concert free of charge for all our children, and our staff for teaching our kids the songs before the event.

Next Monday will be our last assembly for the year. This is because the following week our Year 6s will be at Gumbuya World for their graduation.

A special congratulations to Miss Macri. Taylor and Adam are expecting their first baby next year and we wish them well at this exciting time. We have employed an experienced teacher to take Taylor's position, and our new teacher will start at the beginning of next year to minimise disruption for our students.

Some members of our school community have been going above and beyond to support our school library this year. I would like to acknowledge Megan Watson, Bec Leeuw, Michelle Graymore, Stacey Farrall and Maryann Janssen for their regular support of the library throughout the year. Our library is now a popular and well used space, and the work of our Literacy Specialist, Paula Fleming, and this dedicated team of volunteers is what has made it so. Thank you from all our staff and students here at CPS.

Friday morning will be pancakes at Breakfast Club for students at school. Come along at 8:30 and enjoy a yummy breakfast!

Enjoy our rainy week, let's hope summer brings some better weather!

Susan

From the Office

XUNO is your parent portal to view news and events, book parent teacher interviews, check your child's live attendance, mark absences, view reports, and more. Please contact the office if you have any problems or questions about setting up, and signing in to your account.

Qkr! Is the app that the school is using to accept any payments, such as: Parent Contributions, excursions, Meal Deals and second hand uniform (and more!) We are also trying to reduce the amount of paper used so most permission forms will be available on the app. Of course, if you require a hard copy, one can be collected from the office. Please see the office staff if you need more information about using Qkr!

Breakfast Club

Breakfast club runs each Friday between 8:30-8:45am in the Science Room. This program is government funded and open to all students.

Food available may be Weetbix, muesli, toast with Vegemite or honey, baked beans, spaghetti and fruit cups. Please let us know when dropping off your child if there are any allergies we need to be aware of.

Children are welcome to come to the Science Room from 8:30am. Please do not drop your child off any earlier than this. We welcome any parents who would like to come once a month (or less if we get enough help) to serve and tidy up.
